2. CONFERENCE VENUE

The retreat will take place at the Hotel Flamingo Resort. Travel and lodging expenses are to be covered with the participants own funds.

3. PROGRAM

The retreat program is outlined [here](#). It schedules both oral (including 2 invited plenary lectures) and poster presentations; it will be assembled taking into account abstract topics and preferences expressed by the participants (poster vs. oral communication). Speakers at the 2016 retreat will be excluded, while youth will be considered a positive factor in the selection of oral communications.

4. PRESENTATIONS

The official language of the retreat is English. Plenary lectures will be allotted 50 minutes plus 10 minutes for discussion. Oral communications will last 15 minutes plus 5 minutes for discussion. Please use Power Point and provide a copy of your presentation in a USB pen drive at least 15 minutes before the start of your session.

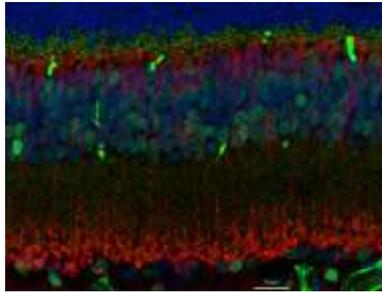

5. POSTERS

Poster size must be 100 (height) by 70 (width) centimeters. Posters will be mounted to wooden bars located along the perimeter walls of the conference room and in the foyer. Pins/thumbtacks or an ad-hoc sticky material will be provided. Due to the limited space available, posters will be mounted on the morning of each respective session and must be removed in the evening to free up space for the next session.
